

# Beech Class

## Autumn Term 2022

# This is Me

### Physical Development

We will take part in weekly PE sessions which will usually be on a Tuesday. Within these sessions we will be exploring different ways to move and balance.

**Please ensure your child has a named PE kit in school everyday.**

### Communication and Language

Daily circle times will enable us to share our ideas and experiences and listen to our peers as they do the same. Within our daily routines we will also be encouraged to follow simple instructions containing two parts.

### Personal, Social and Emotional Development

As we engage with the story of 'The Colour Monster' by Anna Llenas we will be exploring our feelings and emotions. We will be labelling these emotions and recognise how we express these feelings to others.

### Expressive Arts and Design

In class we will take part in daily song time sessions, helping us to build a repertoire of familiar songs.

We will also be exploring different art materials as we create self portraits and pictures of our families.

### Mathematics

In maths we will begin by focussing on numbers to four. We will be practise counting out objects to represent numerals and be comparing quantities using the terms 'more; and 'fewer'.

### Understanding the World

Each Monday we will take part in Forest School sessions which will involve us exploring the school woodland site. We will build up a familiarity with the rules and expectations when using the site.

**Please ensure your child has suitable clothing for spending an afternoon outdoors every Monday.**

As part of RE this term we will be focussing on people who are special to us including family members.

### Literacy

Story times will form an integral part of our daily routine.

When sharing a book we will be considering the different parts of the book, including the cover, title, illustration and blurb.

In our daily Phonics sessions we will begin learning our Phase Two sounds (phonemes) and the corresponding letters (grapheme).

Week Two- s, a, t, p  
Week Three- i, n, m, d  
Week Four- g, o, c, k  
Week Five- ck, e, u, r
